PLACE TO LIVE NW INDIANA

Crown Point crownpoint.in.gov

ideally situated and commonly known as the "Hub of Lake County," Crown Point provides top notch services including police, fire, public works and park facilities for the benefit of all residents, as well as consistently excellent education for students of the Crown Point Community School Corporation.

Under the watchful eye of Mayor David Uran's administration, Crown Point remains one of the premier places to live and conduct business not just in northwest Indiana, but in the entire state and even the Midwest.

"We're very family-oriented, and we're a very safe community," Mayor Uran says. "The progress Crown Point has achieved in the last couple of years has been exciting and gratifying. As we continue 'Building a Stronger Community from Within,' Crown Point remains destined to stand out among its notable neighbors."
